Building bridges with South Korea | Livestream event organized by Luxembourg For Finance

Luxembourg and South Korea celebrate 60 years of diplomatic ties in 2022. Luxembourg for Finance therefore organized a livestream to talk about EU-South Korea relations and explore

the key financial services topics of the moment with an all-star lineup.

Our Managing Director Asia Pacific Alessandro Silvestro will speak on the 8:55 CEST panel with Hongrae CHO (Korea Investment Management), moderated by Xavier Le Sourne (Elvinger Hoss Prussen).
