Lemanik's first time at Patrimonia trade fair

Patrimonia | Sept. 29-30 in Lyon

From September 29 to 30, the twenty-ninth edition of **Patrimonia**, one of the most important events for asset management professionals that gathers more than 7500 consultants and practitioners each year, will take place in Lyon.

This year **Lemanik Group will participate for the first time**: the Italian sales team and the Luxembourg team will be present at **booth K51** to talk about innovative strategies still little known in the French market and the services offered by the group.
