MondoAlternative rewards Lemanik Active Short Term Credit for its performance

As every year, **MondoAlternative awarded 36 prizes to liquid alternative funds**.

The funds were divided by strategy and the best performer in 2021 was awarded for each.

In the fixed income category, our **Lemanik Active Short Term Credit** fund, a bond sub-fund managed by **Fabrizio Biondo**, stood out with a one-year performance of + 3.78%.

This is the second time for our manager, as he won the same award in 2019 as the best 36-month Liquid Alternative Fixed Income fund.

The full article with all of this year's winners and categories is available here: MondoAlternative Awards
