Stock markets, caution after the rally of the 1st quarter 2024

Major international stock markets took a break after the rally in the first three months of 2024. How to behave, then, in the coming months?

Read the view of our fund manager Andrea Scauri: **https://urly.it/3_9a1**

Andrea Scauri

More than 20 years of experience in equity markets, developed both within Asset Management firms and at leading investment banks both domestically and globally. In these contexts, lived between Milan and London before joining Lemanik Invest SA in 2019, Andrea has been directly involved in IPO processes of several companies.
His in-depth knowledge of different economic sectors, with a particular focus on the Oil, Capital Goods and Consumer Goods sectors, combined with his strong financial analysis skills, which have led him to be consistently ranked among the top 10

financial analysts in the Italian market, represent the main components of his stock picking activity.
